

# CTF Student Membership Card

Effective Date:	Student No.:
Name:	
TKD School:	
Instructor Signature:	

New Members—When the student joins the CTF, the student's instructor should complete the information on the Student Membership Card and sign it. He should then give it to the student as proof of his membership. The student should keep the card so he can present it upon request for events such as testing registration, tournament registration or attendance at other CTF events.

Renewal Members—Upon receipt of the student's renewal at the National Headquarters, the CTF will send the renewal card to the student's instructor. The instructor should then sign the renewal card and give it to the student with their CTF patch and bumper sticker.

*I strongly recommend that the instructor keep a record of student numbers to use when completing CTF forms such as Testing Results, Renewal Forms, and Black Belt Testing Applications.*

***Replacement cards are available from the CTF Office for a fee of \$5.00.***
